**How well do you know Belper? Enjoy a walk around the town of Belper looking for land marks and items of interest**

## Instructions for playing the u3a Treasure Hunt Game

You need:

- a set of photographs of features to be found around the centre of Belper
- a route map

The numbered, photographed clues you need, are available from the u3a website <https://belper.u3asite.uk> with a route map for printing off.

Alternatively, printed maps and photographs can be collected from:

- library, Derwent Street, DE56 1UG
- Strutts ' Community Centre, Derby Road, DE56 1UU
- G.O Coopers'; Butchers, 68 King St, DE56 1PZ
- Timpson's Booth, Morrisons, DE56 1YA

If you park in the Coppice car park you will find the first photos start nearby in the market place. When you find the first clue mark a number 1 at its approximate position on the map. The photos are numbered to indicate what feature you are looking for next and the route map will show you the direction you should take.

Each time you find one of the photographed features, mark its position on the route map. Those who have marked their map with the location of all the 18 photographs can enter their map into a draw for a prize.

To do this, you will need to write your name and email address or phone number on the back of the map. It can then be returned to one of the locations above.

Correctly completed sheets will be put in a draw for the prize. The draw will take place on June 5<sup>th</sup> 2026, after which the answers will be available on the Belper u3a website.
